# CHRISTMAS AT THE BEACH

## VIRGINIA BEACH, VA

### 3 Days - 2 Nights

- DAY 1 A morning departure has you heading south. Your destination today is Virginia Beach where accommodations have been arranged at an **oceanfront property**. After checking in, head for downtown Portsmouth where you can kick-off the holiday season as the **Portsmouth Art & Cultural Center** becomes a Winter Wonderland offering old and new holiday traditions, many of which stem from the renowned Coleman Nursery Collection. Returning to your hotel, enjoy dinner, followed by a "stroll" along the boardwalk aboard your motorcoach as you enjoy the **Holiday Lights At The Beach** featuring 400 light displays over a 25-block area.
- DAY 2 Enjoy breakfast, then take flight to the **Virginia Air & Space Center**, the visitor center for NASA Langley Research Center and Langley Air Force Base. Your imagination will soar as you launch a rocket, pilot a space shuttle, come face-to-face with the Apollo 12 Command Module, and a DC-9 passenger jet. Also included will be a performance of the **Christmas show in the Imax Movie Theater**. In the afternoon, depart for Newport News to visit the **Virginia Living Museum** and enjoy a performance of the show, "**Star of Wonder: The Mystery of the Christmas Star.**" Experience the journey of the Magi around you in the state-of-the-art digital planetarium theater, a truly immersive look at the journey of the Magi which examines the latest clues and seeks once more to understand the appearance of the Star of Bethlehem. Dinner has been arranged for the group in the area, then head for Newport News Park for a ride through their **Celebration In Lights**.
- DAY 3 After breakfast, it's time to check out and begin your journey homeward. Along the way, a stop will be made in **Williamsburg for a 2-hour guided tour** of beautifully-decorated Colonial Williamsburg, focusing on the African-American history in the area. Following your tour you will have lunch on your own and do some shopping before departing for home with fond memories of **Christmas at the Beach**.
